

Naples, 5 of September 2016

Grimaldi Lines is glad to inform all customers that, starting from 6 of September, the line Savona-Barcelona-Savona will be strengthened with the introduction of the ship “Eurocargo Salerno” in addition to the other vessels already deployed on this line. With 2300 l/m of intake, corresponding to 170 trailers and 12 driver places, the Eurocargo Salerno will deeply enhance the growth of the intermodal traffics between northern Italy and Spain because it will perform direct departures from Savona to Barcelona and viceversa (for the very first time there will be departure Barcelona-Savona on Monday evening), increasing the overall cargo capacity of this line, the weekly rotation of the trailers and thus satisfying even more the delivery and punctuality needs of the customers.
